SILICON VALLEY CLEAN ENERGY AUTHORITY RESOLUTION NO. 2020-22

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SILICON VALLEY CLEAN ENERGY AUTHORITY APPROVING ADDITION OF NEW COMMERCIAL AND INDUSTRIAL B-ST CLASS GENERATION RATE SCHEDULES AND RATES

WHEREAS, the Silicon Valley Clean Energy Authority ("Authority") was formed on March 31, 2016 pursuant to a Joint Powers Agreement to study, promote, develop, conduct, operate, and manage energy programs in Santa Clara County; and

WHEREAS, historically, PG&E's "B" commercial rate classes have applied to commercial and industrial customers, small and large; and

WHEREAS, PG&E has introduced "B-ST" rate classes, with rate schedules specifically developed to incentivize the adoption of connected energy storage devices (batteries) by providing customers with lower pricing for kW demand and higher prices for kWh energy; and

WHEREAS, to accurately bill commercial and industrial customers enrolled in the B-ST rate classes and collect for service, SVCE must implement rate schedules that correspond to the PG&E B-ST rates; and

WHEREAS, as PG&E has finalized and opened to customers B-ST rates as of September 1, 2020; the Board of Directors desires to grant the Chief Executive Officer the authority to implement the Authority's B-ST Class electric generation rate schedules and rates for its commercial and industrial customers retroactively in order to accurately bill customers beginning September 1, 2020.

NOW THEREFORE, the Board of Directors of the Silicon Valley Clean Energy Authority does hereby resolve, determine, and order as follows:

<u>Section 1.</u> The Chief Executive Officer is hereby authorized to amend the Authority's 2020 Electric Generation Rates Schedule to implement the Authority's B-ST Class electric generation rate schedules at the currently approved discount level of 4%.

<u>Section 2.</u> The Authority's B-ST Class electric generation rates, as implemented by the Chief Executive Officer pursuant to Section 1 above, shall become effective retroactively as of September 1, 2020.

PASSED AND ADOPTED this 9th day of September 2020, by the following vote:
