

2023 COMMUNITY IMPACT

Town of Los Altos Hills and Silicon Valley Clean Energy

Your community is making a difference by choosing electricity that comes from clean sources. Los Altos Hills' leadership is accelerating the state's clean energy transition and supporting customer programs to improve local air quality and fight climate change.

Los Altos Hills' Energy Results - Clean, Reliable, Affordable

\$548,600 in on-bill savings for Los Altos Hills customers
(\$3,172,000 since launch)

3,000 households and businesses receiving electricity from clean energy sources

\$62,600 in cash payments to customers for generating surplus solar energy

\$31,500 in SVCE rebates claimed by Los Altos Hills residents for electric home upgrades

2023 Impacts – All SVCE Communities

530M pounds of CO2 avoided from receiving a clean power supply

\$100M in total on-bill savings for customers since launch in 2017

\$116M invested in customer programs

Your neighbors are going electric!

"We feel like being in the sunshine state of California, installing solar panels is a no-brainer. We love being net-zero! I cook everyday and the induction cooktop is just so fast to heat and so easy to clean."

- Judy
Los Altos Hills Resident & SVCE Customer

*Figures shown are from Oct. 2022 through Sept. 2023

275,000+ residential and commercial customers - a **96%** participation rate with SVCE

OFFERS & SERVICES FOR YOU

With clean energy from SVCE, anyone has the power to make choices that eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE has designed various programs, including financial incentives and online tools, to help residents, businesses, and cities reduce their dependence on fossil fuels and transition to a clean, all-electric future.
