

2023 COMMUNITY IMPACT

City of Los Altos and Silicon Valley Clean Energy

Your community is making a difference by choosing electricity that comes from clean sources. Los Altos' leadership is accelerating the state's clean energy transition and supporting customer programs to improve local air quality and fight climate change.

Los Altos' Energy Results - Clean, Reliable, Affordable

\$194,600 in on-bill savings for Los Altos customers
(**\$1,108,000** since launch)

12,100 households and businesses receiving electricity from clean energy sources

\$138,300 in cash payments to customers for generating surplus solar energy

\$12,700 in SVCE rebates claimed by Los Altos residents for electric home upgrades

2023 Impacts – All SVCE Communities

- 530M** pounds of CO2 avoided from receiving a clean power supply
- \$100M** in total on-bill savings for customers since launch in 2017
- \$116M** invested in customer programs

Your neighbors are going electric!

"I get near-daily satisfaction from reminding myself that we've taken fossil fuels out of the house entirely and everything's largely powered from the sun."

- Tom,
Los Altos Resident & SVCE Customer

*Figures shown are from Oct. 2022 through Sept. 2023

275,000+ residential and commercial customers - a **96%** participation rate with SVCE

OFFERS & SERVICES FOR YOU

With clean energy from SVCE, anyone has the power to make choices that eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE has designed various programs, including financial incentives and online tools, to help residents, businesses, and cities reduce their dependence on fossil fuels and transition to a clean, all-electric future.
