

# 2023 COMMUNITY IMPACT

## Town of Los Gatos and Silicon Valley Clean Energy

Your community is making a difference by choosing electricity that comes from clean sources. Los Gatos' leadership is accelerating the state's clean energy transition and supporting customer programs to improve local air quality and fight climate change.

### Los Gatos' Energy Results - Clean, Reliable, Affordable

**\$796,400** in on-bill savings for Los Gatos customers  
**(\$4,636,000 since launch)**

**14,800** households and businesses receiving electricity from clean energy sources

**\$110,000** in cash payments to customers for generating surplus solar energy

**\$8,600** in SVCE rebates claimed by Los Gatos residents for electric home upgrades

### 2023 Impacts – All SVCE Communities

**530M**

pounds of CO2 avoided from receiving a clean power supply

**\$100M**

in total on-bill savings for customers since launch in 2017

**\$116M**

invested in customer programs

### Your neighbors are going electric!

"Given that we were installing solar, it seemed logical to max out our use of 'free' electricity. With a battery backup, it would make us much more self-sufficient. So we made the decision early on to go all-electric in our re-build project."

- Justin  
*Los Gatos Resident and SVCE Customer*

\*Figures shown are from Oct. 2022 through Sept. 2023

**275,000+** residential and commercial customers - a **96%** participation rate with SVCE

# OFFERS & SERVICES FOR YOU

With clean energy from SVCE, anyone has the power to make choices that eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE has designed various programs, including financial incentives and online tools, to help residents, businesses, and cities reduce their dependence on fossil fuels and transition to a clean, all-electric future.
