

2023 COMMUNITY IMPACT

City of Monte Sereno and Silicon Valley Clean Energy

Your community is making a difference by choosing electricity that comes from clean sources. Monte Sereno’s leadership is accelerating the state’s clean energy transition and supporting customer programs to improve local air quality and fight climate change.

Monte Sereno’s Energy Results - Clean, Reliable, Affordable

\$70,700 in on-bill savings for Monte Sereno customers
(\$415,000 since launch)

1,200 households and businesses receiving electricity from clean energy sources

\$25,100 in cash payments to customers for generating surplus solar energy

\$28,000 in SVCE rebates claimed by Monte Sereno residents for electric home upgrades

2023 Impacts – All SVCE Communities

530M

pounds of CO2 avoided from receiving a clean power supply

\$100M

in total on-bill savings for customers since launch in 2017

\$116M

invested in customer programs

Your neighbors are going electric!

“We love having solar and battery backup, both for the peace of mind and for not feeling ‘guilty’ when using energy...I don’t notice or miss gas at all and I think our indoor air quality is much better.”

- Justin,
SVCE Customer

275,000+ residential and commercial customers - a **96%** participation rate with SVCE

*Figures shown are from Oct. 2022 through Sept. 2023

OFFERS & SERVICES FOR YOU

With clean energy from SVCE, anyone has the power to make choices that eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE has designed various programs, including financial incentives and online tools, to help residents, businesses, and cities reduce their dependence on fossil fuels and transition to a clean, all-electric future.
