

2023 COMMUNITY IMPACT

City of Mountain View and Silicon Valley Clean Energy

Your community is making a difference by choosing electricity that comes from clean sources. Mountain View’s leadership is accelerating the state’s clean energy transition and supporting customer programs to improve local air quality and fight climate change.

Mountain View’s Energy Results - Clean, Reliable, Affordable

\$2,194,700 in on-bill savings for Mountain View customers
(\$12,565,000 since launch)

40,700 households and businesses receiving electricity from clean energy sources

\$152,800 in cash payments to customers for generating surplus solar energy

\$168,250 in SVCE rebates claimed by Mountain View residents for electric home upgrades

2023 Impacts – All SVCE Communities

530M pounds of CO2 avoided from receiving a clean power supply

\$100M in total on-bill savings for customers since launch in 2017

\$116M invested in customer programs

Your neighbors are going electric!

“I was blown away by the simplicity and energy efficiency of the heat pump. The rebates from SVCE made this a no brainer. I love the smart app that lets me set the water temperature and check for available hot water before entering the shower!”

- Amit
SVCE Customer

275,000+ residential and commercial customers - a **96%** participation rate with SVCE

*Figures shown are from Oct. 2022 through Sept. 2023

OFFERS & SERVICES FOR YOU

With clean energy from SVCE, anyone has the power to make choices that eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE has designed various programs, including financial incentives and online tools, to help residents, businesses, and cities reduce their dependence on fossil fuels and transition to a clean, all-electric future.
