

2023 COMMUNITY IMPACT

City of Saratoga and Silicon Valley Clean Energy

Your community is making a difference by choosing electricity that comes from clean sources. Saratoga's leadership is accelerating the state's clean energy transition and supporting customer programs to improve local air quality and fight climate change.

Saratoga's Energy Results - Clean, Reliable, Affordable

\$513,200 in on-bill savings for Saratoga customers
(\$3,054,000 since launch)

11,600 households and businesses receiving electricity from clean energy sources

\$180,200 in cash payments to customers for generating surplus solar energy

\$111,000 in SVCE rebates claimed by Saratoga residents for electric home upgrades

2023 Impacts – All SVCE Communities

530M pounds of CO2 avoided from receiving a clean power supply

\$100M in total on-bill savings for customers since launch in 2017

\$116M invested in customer programs

Your neighbors are going electric!

"SVCE was offering a good rebate so I upgraded my panel first thing, along with having a heat pump hybrid water heater installed in place of my gas water heater."

- Carol,
Saratoga Resident & SVCE Customer

*Figures shown are from Oct. 2022 through Sept. 2023

275,000+ residential and commercial customers - a **96%** participation rate with SVCE

OFFERS & SERVICES FOR YOU

With clean energy from SVCE, anyone has the power to make choices that eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE has designed various programs, including financial incentives and online tools, to help residents, businesses, and cities reduce their dependence on fossil fuels and transition to a clean, all-electric future.
