

# 2023 COMMUNITY IMPACT

## City of Sunnyvale and Silicon Valley Clean Energy

Your community is making a difference by choosing electricity that comes from clean sources. Sunnyvale’s leadership is accelerating the state’s clean energy transition and supporting customer programs to improve local air quality and fight climate change.

### Sunnyvale’s Energy Results - Clean, Reliable, Affordable

**\$5,097,400** in on-bill savings for Sunnyvale customers  
 (\$28,732,000 since launch)

**62,400** households and businesses receiving electricity from clean energy sources

**\$293,800** in cash payments to customers for generating surplus solar energy

**\$323,250** in SVCE rebates claimed by Sunnyvale residents for electric home upgrades

### 2023 Impacts – All SVCE Communities

**530M** pounds of CO2 avoided from receiving a clean power supply

**\$100M** in total on-bill savings for customers since launch in 2017

**\$116M** invested in customer programs

### Your neighbors are going electric!

“Just do it! It is better for you wallet, your health, and the planet. There are many great rebates and resources available to you that make it much easier and more affordable – you won’t look back!”

- William & Lakshmi,  
 Sunnyvale Residents & SVCE Customers

\*Figures shown are from Oct. 2022 through Sept. 2023

**275,000+** residential and commercial customers - a **96%** participation rate with SVCE

# OFFERS & SERVICES FOR YOU

With clean energy from SVCE, anyone has the power to make choices that eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE has designed various programs, including financial incentives and online tools, to help residents, businesses, and cities reduce their dependence on fossil fuels and transition to a clean, all-electric future.
