

2025 COMMUNITY IMPACT

City of Morgan Hill and Silicon Valley Clean Energy

SVCE communities are making a difference by choosing electricity that comes from clean sources. Your community leadership is accelerating the state's clean energy transition and supporting customer offers and services to improve local air quality and fight climate change.

Morgan Hill's Annual Energy Results

\$3,207,900 in on-bill savings for SVCE customers* (**\$10,554,800** since launch)

17,680 households and businesses receiving electricity from clean energy sources*

\$2,164,000 awarded for community grant projects that identify and implement resilient energy strategies

\$113,000 in SVCE rebates claimed by Morgan Hill residents for electric home upgrades

*Figures shown are from Oct. 2024 through Sept. 2025

Community-Wide Achievements

\$203M

in total on-bill savings for customers since launch in 2017

\$138M

dedicated to customer offers and services

\$19M

in bill support to income-qualified customers

Supporting Local Projects

\$500K in grant funding to fully electrify the Butterfield Fire Station

280,000+

residential and commercial customers - a **96%** participation rate with SVCE

OFFERS & SERVICES FOR THE COMMUNITY

Your actions have the power to eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE resources and incentives can help you reduce your dependence on fossil fuels and transition to a clean, all-electric future.
