2025 COMMUNITY IMPACT

SILICON VALLEY CLEAN ENERGY

City of Saratoga and Silicon Valley Clean Energy

SVCE communities are making a difference by choosing electricity that comes from clean sources. Your community leadership is accelerating the state's clean energy transition and supporting customer offers and services to improve local air quality and fight climate change.

Saratoga's Annual Energy Results

$1,660,600 in on-bill savings for SVCE customers* (**$5,464,000** since launch)

11,700 households and businesses receiving electricity from clean energy sources*

$817,000 awarded for community grant projects that identify and implement resilient energy strategies

$362,250 in SVCE rebates claimed by Saratoga residents for electric home upgrades

*Figures shown are from Oct. 2024 through Sept. 2025

Community-Wide Achievements

$203M — in total on-bill savings for customers since launch in 2017

$138M — dedicated to customer offers and services

$19M — in bill support to income-qualified customers

Supporting Local EV Infrastructure

57 EV charging ports installed using SVCE rebates

280,000+ residential and commercial customers - a **96%** participation rate with SVCE

OFFERS & SERVICES FOR THE COMMUNITY

Your actions have the power to eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE resources and incentives can help you reduce your dependence on fossil fuels and transition to a clean, all-electric future.
