

2025 COMMUNITY IMPACT

City of Sunnyvale and Silicon Valley Clean Energy

SVCE communities are making a difference by choosing electricity that comes from clean sources. Your community leadership is accelerating the state’s clean energy transition and supporting customer offers and services to improve local air quality and fight climate change.

Sunnyvale’s Annual Energy Results

*Figures shown are from Oct. 2024 through Sept. 2025

Community-Wide Achievements

Supporting Local EV Infrastructure

119 EV charging ports installed using SVCE rebates

280,000+ residential and commercial customers - a **96%** participation rate with SVCE

OFFERS & SERVICES FOR THE COMMUNITY

Your actions have the power to eliminate greenhouse gas emissions, save money, and build a cleaner, greener Silicon Valley. SVCE resources and incentives can help you reduce your dependence on fossil fuels and transition to a clean, all-electric future.
