Hi,
Happy new year.
I believe that we ended up not getting a signature for this one as it was replaced by an amended code via a separate resolution in either May or June.

Hi Melody,

Happy New Year! I'm starting to get organized over here, and noticed that I don't have a signed copy of the first resolution that went to the Board (adopting a Conflict of Interest Code).

Do you know if this one was signed? I have the other Resolutions from that meeting; just missing the one.

Thank you,

Andrea
