EXPARTE COMMUNICATION

Communication between Bidder and SVCE will be initiated by the appropriate SVCE Official or Employee in order to obtain information or clarification needed to develop a proper and accurate evaluation of the proposal. If the current coverage does not meet the RFP requirements, then the Bidder should request an affidavit of insurability from the Bidder's insurance agent that certifies the requirements can and will be met. The Bidder shall certify that he/she has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the proposal and that the bidder is not financially interested in, or otherwise affiliated in a business way with any other bidder on the same land or improvements.

ADDENDA

It is the Bidder's responsibility to contact SVCE prior to submitting a proposal to ascertain if any addenda have been issued, to obtain all such addenda and return executed addenda with the proposal.

The failure of a Bidder to submit acknowledgement of any addenda that affects the proposal price(s) may be considered an irregularity that may be cause for rejection of the proposal.
