

**SILICON VALLEY CLEAN ENERGY AUTHORITY**  
**RESOLUTION NO. 2022-15**

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SILICON VALLEY CLEAN ENERGY AUTHORITY APPROVING CUSTOMER GENERATION RATES**

**WHEREAS**, the Silicon Valley Clean Energy Authority (“Authority”) was formed on March 31, 2016 pursuant to a Joint Powers Agreement to study, promote, develop, conduct, operate, and manage energy programs in Santa Clara County; and

**WHEREAS**, at the June 8, 2016 Board of Directors Meeting, the Board adopted the policy that the Authority’s customer generation rates for the default service will be 1% lower than Pacific Gas & Electric’s generation rates in place as of January 2017; and the policy allows reexamination of the rates, provided significant deviations in market prices or other extraordinary circumstances mandate an adjustment to the rates; and

**WHEREAS**, SVCE has a need to adopt customer generation rates that are competitive and contribute to the Authority’s cash reserves to allow the Authority to respond to risk, and

**WHEREAS**, on February 9, 2022, the Board of Directors adopted Resolution No. 2022-06 which approved the methodology for the customer generation rates that currently are in effect; and

**WHEREAS**, due to the minor changes in the Power Cost Indifference Charge (PCIA) and in PG&E generation rates and for the reasons described in more detail in the agenda report, staff is recommending SVCE update the generation rates to maintain the current generation rate discount at 1%, effective June 9, 2022; and

**NOW THEREFORE**, the Board of Directors of the Silicon Valley Clean Energy Authority does hereby resolve, determine, and order as follows:

Section 1. The Chief Executive Officer is hereby authorized to amend the Authority’s 2022 Electric Generation Rates Schedule adopted by Resolution No. 2022-06 to provide for a 1% discount from PG&E’s generation rates.

Section 2. The Authority’s electric generation rates, set forth in the 2022 Electric Generation Rates Schedule attached, shall become effective June 9, 2022.

Section 3. Resolution No. 2022-06 is hereby rescinded upon the effective date of the 2022 Electric Generation Rates Schedule.

**ADOPTED AND APPROVED this 8th day of June 2022, by the following vote:**
