NOW THEREFORE, BE IT RESOLVED by the SVCE Board of Directors, as follows:

Section 1. The proposed forms of the SVCE Documents, as made available to the Board of Directors for this meeting, are hereby approved. The form of Limited Assignment Agreement may be used, in substantially the same form, for the initial assignments of SVCE power purchase agreements, and in a similar form for additional power purchase agreements as needed to maintain the transactions approved hereby, with such changes as may be necessary to conform to the requirements of such power purchase agreement or as may be necessary to effect such assignment, and any such Limited Assignment Agreements shall be included in the SVCE Documents hereby approved. Subject to the parameters set forth in Section 4 of this Resolution, any of the Chief Executive Officer, Chief Operations Officer, Chair of the Board, the Director of Finance (each an “Authorized Officer”) is hereby authorized and directed, for and on behalf of SVCE, to execute and deliver the SVCE Documents in substantially said form, with such changes and insertions therein as the Authorized Officer executing the same may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 2. The proposed form of the Preliminary Official Statement, as made available to the Board of Directors for this meeting, is hereby approved. Any Authorized Officer is hereby authorized and directed, for and on behalf of SVCE, to execute and deliver a certificate as to the information regarding SVCE contained therein and in the final version of the Official Statement, with such changes and insertions therein as the Authorized Officer approving the same may deem necessary or appropriate. Subject to approval by the Issuer, SVCE hereby authorizes the distribution of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds, and the delivery of the Official Statement in final form to the purchasers of the Bonds, in each case with such changes as may be approved as aforesaid.

Section 3. Each Authorized Officer is hereby authorized and directed, for and in the name and on behalf of SVCE, to execute and deliver any and all documents, including, without limitation, any tax certificate relating to its expected use of the energy to be purchased by it from the Project, any continuing disclosure certificate or similar agreement required for the offering or sale of the Bonds, and any and all closing certificates to be executed in connection with the issuance of the Bonds and to take any and all actions which may be necessary or advisable, in the discretion of such Authorized Officers, to effectuate the actions which SVCE has approved in this Resolution, for the issuance, sale and delivery of the Bonds, and to consummate by SVCE the transactions contemplated by the SVCE Documents approved hereby and the other Project Documents presented to the Board herewith, including any subsequent amendments, waivers or consents entered into or given under or in accordance with such documents.

Section 4. The amount of the prepayment to be made under the Prepaid Agreement shall be established using the monthly quantities of energy to be delivered over an approximately 30-year term and a fixed price determined as of the time of pricing using available market prices and other information and reviewed and approved by SVCE’s financial advisor (the “Fixed Price”), discounted to present value at an agreed discount rate determined at the time of pricing. The prepaid energy will be delivered by the Issuer to SVCE under the Power Supply Contract at a floating day-ahead index price less a monthly discount stated in

dollars per MWh (the “Monthly Discount”). Considering the foregoing, the approvals provided for herein shall be subject to the following parameters:

(a) the Bonds will not be obligations of SVCE, but will be limited obligations of the Issuer payable solely from the revenues and other amounts pledged therefor under the Indenture, including amounts payable by SVCE under the Power Supply Contract;

(b) the aggregate principal amount of the Bonds shall not exceed \$1,000,000,000; and

(c) for the initial Reset Period (as defined in the Power Supply Contract), the annual cost savings relative to the Fixed Price with respect to the energy to be delivered to SVCE under the Power Supply Contract for each annual period during the initial Reset Period, taking into account the Monthly Discount and the Annual Refund (as defined in the Power Supply Contract) for each such annual period, shall be at least eight percent (8%).

Section 5. Execution and delivery of the SVCE Documents by an Authorized Officer or Officers shall be conclusive evidence that the parameters set forth in Section 4 have been met, and all actions heretofore taken by the Authorized Officers with respect to the issuance of the Bonds are hereby ratified, confirmed and approved.

Section 6. If the conditions set forth in Section 4 have been met, an Authorized Officer may direct the payment to professionals that provided services to SVCE in connection with the Project. These professional services include legal counsel, bond counsel, tax counsel, Municipal Financial Advisor, Swap Advisor, and any other consultant needed to complete the transactions contemplated herein for SVCE. Payment to these professionals will be made from the proceeds of the sale of the Bonds and pursuant to the terms of the applicable agreement executed with SVCE.

Section 7. If the conditions set forth in Section 4 have been met, an Authorized Officer may direct the payment to additional vendors and/or parties to the SVCE Documents or other Project Documents to complete the issuance of the Bonds. These vendors, if any, will be paid pursuant to an agreement for services rendered in completing the issuance of the Bonds and from the proceeds of the sale of the Bonds.

Section 8. This Resolution shall take effect immediately.
